Dutch Language Café

MEER DAN EEN CAFE

The Dutch Language Café started in 2018 with Roben's idea: learning Dutch through fun activities.

After a successful crowdfunding campaign, we opened our café in June 2024. Alongside serving tasty food and drinks, we're now a lively community spot where people meet, play games, and practise Dutch and other languages.

HOW DOES IT WORK?

CAFE - Play a board game, practice ordering in Dutch, or simply enjoy a drink or snack. Bring a flag to your table if you're open for a chat!

COMMUNITY - Join events Dutch learners and native speakers and do something interesting while practicing Dutch. Board game nights, pub quiz, movie night, art club, film night, bouldering, walking tours, and more; we have events almost every day, for all interest and Dutch levels. Most are open to anyone, some require a membership. Check out: dutchlanguagecafe.com/full-calendar

COURSES - For more focus on Dutch we offer non-traditional Dutch courses: Learn without using a grammar book! From total beginners to advance speakers: We focus on speaking confidence and real use of the language, with fun activities in small groups. Check out dutchlanguagecafe.com/courses
